March 23, 2023

For immediate release

### **TransAqua, the Greater Moncton Wastewater Commission, to hold Annual General Meeting on March 24, 2023**

**RIVERVIEW, N.B.** – TransAqua, the Greater Moncton Wastewater Commission, announced today that its annual general meeting (AGM) will be held on Friday, March 24, 2023 beginning at 10:00 a.m. at the TransAqua Administration Building located at 355 Hillsborough Road in Riverview.

Commission members will update the community on what was achieved over the course of 2022 and what is on the horizon for 2023.

Residents of Moncton, Dieppe and Riverview are invited to attend the event, as well as environmental organizations, suppliers and any other interested stakeholders and citizens.

“We are pleased once again this year to invite citizens of the tri-city area and our stakeholders to learn more about our activities in the past twelve months and what we are planning for the next twelve,” said Michel Desjardins, Commission Chair.

The AGM will feature presentations and updates by the Commission on its activities in 2022 and a look at what can be expected in 2023 and future years. Questions from the public and the media are welcome. Financial results for 2022 will also be released at that time.

### **About TransAqua**

TransAqua / Greater Moncton Wastewater Commission ([www.transaqua.ca](http://www.transaqua.ca)) was established in 1983 to support the wastewater collection and treatment needs of the Dieppe, Moncton and Riverview tri-community. Since then, it has developed a 34.2-kilometre collection network and a treatment facility to best deliver on this mandate. It has also become a leader in the reuse of biosolids through the generation of type ‘AA’ compost (the highest grade currently achieved in Canada) as opposed to disposal in a landfill site.
