TransAqua announces 2022 compost facility closing for the season

RIVERVIEW, N.B. – TransAqua, the Greater Moncton Wastewater Commission, announced today that its compost facility will be closing for the season at 3:45pm on October 28, 2022. TransAqua wishes to extend our gratitude to our loyal customers and new customers this season. We look forward to seeing you in May 2023.

More information regarding the quality of TransAqua's compost can be found on TransAqua's website at www.transaqua.ca/environment/compost. Please sign up to receive updates and information from TransAqua. Detailed product information sheets are also available at the Delong Drive compost facility. Residents may also contact the compost facility by calling 387-7977. Please note that compost is not available at TransAqua's wastewater treatment facility in Riverview.

TransAqua, the Greater Moncton Wastewater Commission, (www.transaqua.ca) was established in 1983 to support the wastewater collection and treatment needs of the Dieppe, Moncton and Riverview tri-community. Since then, it has developed a 34.2 kilometre collection network and a treatment facility to best deliver on this mandate. It has also become a leader in the reuse of biosolids through the generation of high quality compost as opposed to disposal in a landfill site.
